Important notices (read first)

- **Education only.** This kit is general education and planning worksheets. It is not legal, tax, financial, insurance, medical or counseling advice, and using it does not create any professional relationship.
- **Talk to licensed professionals.** Before you sign a trust, form an LLC or nonprofit, buy insurance, invest, or change taxes, consult a licensed attorney, CPA, insurance agent or financial adviser in your state.
- **Georgia information is as of October 2026.** Laws, fees and programs change. Families outside Georgia, or outside the United States, should follow the laws of their own country, state or province, and local government.
- **Check with your city and county government** before acting on anything local, including zoning, building permits, accessory dwellings, home businesses, business licenses, home child care or elder care, raising animals or farming, short-term rentals and property taxes. Write what they tell you in the Resources section.
- **No guarantee.** Results depend on each family's choices, income and circumstances. No outcome is promised.
- **Faith content** quotes the King James Version and is offered, never forced.
- **Safety comes first.** If a child or elder is being harmed, call 911 for an emergency, Georgia DFCS at 1-855-422-4453 for a child, or Adult Protective Services at 1-866-552-4464 (option 3) for an elder. Outside Georgia, call your local emergency number or child or elder protection agency. Reporting never waits for witnesses or for day 90.
- **Privacy.** Your answers stay with your family. Wiser Generations International never collects what you write here.
- **License.** One purchase covers one household. Do not copy, resell or share the kit. Organizations need a partner license.
- **Limit of liability.** To the extent Georgia law allows, Wiser Generations International's total liability is limited to the price you paid for the kit.

How to use this kit

1. Read the notices above and sign them.

3. Keep the first 90 days simple: **save, invest, and protect** your family spiritually, physically and emotionally through stewardship.
4. **Move in silence until day 90.** Share your plan only with the people filling it in with you. Silence never covers harm (see the safety notice).
5. Meet as a family once a month to update the scorecard, and once a year (each October) to review the whole kit.

Each child's \$1,000 goal is a family milestone. Reaching it unlocks that child's Legacy stage: their own savings account, a mentor, and a seat at the family meeting when they are old enough.

Child	Monthly amount	Start date	Saved so far	Goal reached
	\$		\$	☐
	\$		\$	☐
	\$		\$	☐
	\$		\$	☐

Sponsor option (optional)

A trusted relative, church or business may sponsor a family member with up to \$10,000, paid back in cash or in agreed work (barter). Put every sponsorship in writing, signed by both sides, with the payback terms and dates.

Sponsor	Amount	Purpose	Payback (cash or barter)	Due by
	\$			

Barter has a dollar value and is generally taxable income; ask a CPA how to report it.

Readiness check and scorecard

Score each area 1 (not started) to 5 (strong). The scorecard records counts and scores only, never private details about any person.

Area	Question	Score now	Score at day 90
Faith	Do we pray, worship or reflect together weekly?		
Unity	Can we disagree and still decide together?		
Money	Do we have a written budget and some savings?		
Debt	Do we know every debt and have a payoff order?		
Protection	Do adults have wills, powers of attorney and insurance?		
Health	Are checkups current and stress talked about openly?		
Education	Is every child learning money, trade and history skills?		
Next generation	Is someone younger being trained to lead?		
Total (out of 40)			

Monthly scorecard (counts only)

Month	Family meetings held	Savings deposits made	Children at \$1,000 goal	Actions done this month

Family constitution starter

A family constitution is a written agreement about how your family lives and decides. It is not a legal document; your attorney turns the money and property parts into a trust.

- 1. **Our foundation:** We live by _____ (for example, the Bible as our guide).
- 2. **How we decide:** One person, one vote at family meetings; decisions need _____ of _____ votes.
- 3. **Two witnesses:** No family member is judged or removed on one person's word alone. A family judgment needs two or more witnesses or clear evidence (Deuteronomy 19:15).
- 4. **The one exception:** Anyone who harms a child or an elder is permanently out of the family circle. This is reported to authorities right away; reporting never waits for witnesses, a vote, or day 90.
- 5. **Freedom to leave:** Any adult may step away from the plan at any time without punishment.
- 6. **Faith is invited, never forced.**
- 7. **Joining from outside:** A person joining by marriage or invitation is welcomed after _____ (for example, shared faith, commitment to unity, and a real contribution).
- 8. **Money rules:** No mixing family-company money with personal money; every loan or sponsorship is in writing.
- 9. **Next leaders:** We train _____ to lead after us.
- 10. **Review:** We review this starter every October.

4	Holding LLC	Owns property, separate from business risk	Attorney, CPA		☐
5	Operating LLC	Runs the family business; pays fair rent	Attorney, CPA		☐
6	Church or ministry (optional)	Worship and discipleship	Attorney familiar with IRS Pub 1828		☐
